Participating Hospitals - more choice

A vital part of any Private Health Insurance scheme is the available medical facilities, in which treatment may be given. With General & Medical, whichever level of cover you choose, you'll have access to over 1,000 of some of the best private hospitals and medical facilities throughout the UK. Find your nearest hospital by viewing our Hospital Finder at www.generalandmedical.com/hospitals

Hospital Choices

At General & Medical we have one of the largest selections of hospitals and medical facilities compared to any UK health insurer. We call these our Participating Hospitals and they include the majority of the leading national private hospital groups and the NHS private patient units, giving you access to the most modern facilities available in the UK.

Most of our Participating Hospitals provide a single private room with en-suite facilities for in-patient accommodation, together with a choice of menus, flexible visiting times and other facilities consistent with a modern private facility. This gives you timely access, privacy and the dedicated care and comfort you deserve.

The cost of treatment between different facilities can vary enormously, so we have grouped our Participating Hospitals to give you levels of choice. In this way, we are able to reflect the lower cost of treatment at certain facilities by reducing premiums according to the hospitals you choose.

Freedom

Freedom Hospitals include all First Choice facilities and give members access to additional facilities throughout the UK, which are mainly NHS hospitals with private facilities attached, plus most other London hospitals.

Premium

Premium Hospitals are specialist facilities, that due to their reputation and location are able to charge substantially more for their medical services. You can include Premium Hospitals for an additional premium.

For full details of our hospital list, please visit:

www.generalandmedical.com/hospitals

Ways to Reduce your Premiums

If reducing your premiums would help you to meet your budget, you can of course, choose a lower level of cover, for example by choosing Everyday Plus instead of Lifestyle Plus.

You can also significantly reduce your premiums by adding an excess to your policy.

Policy Excess

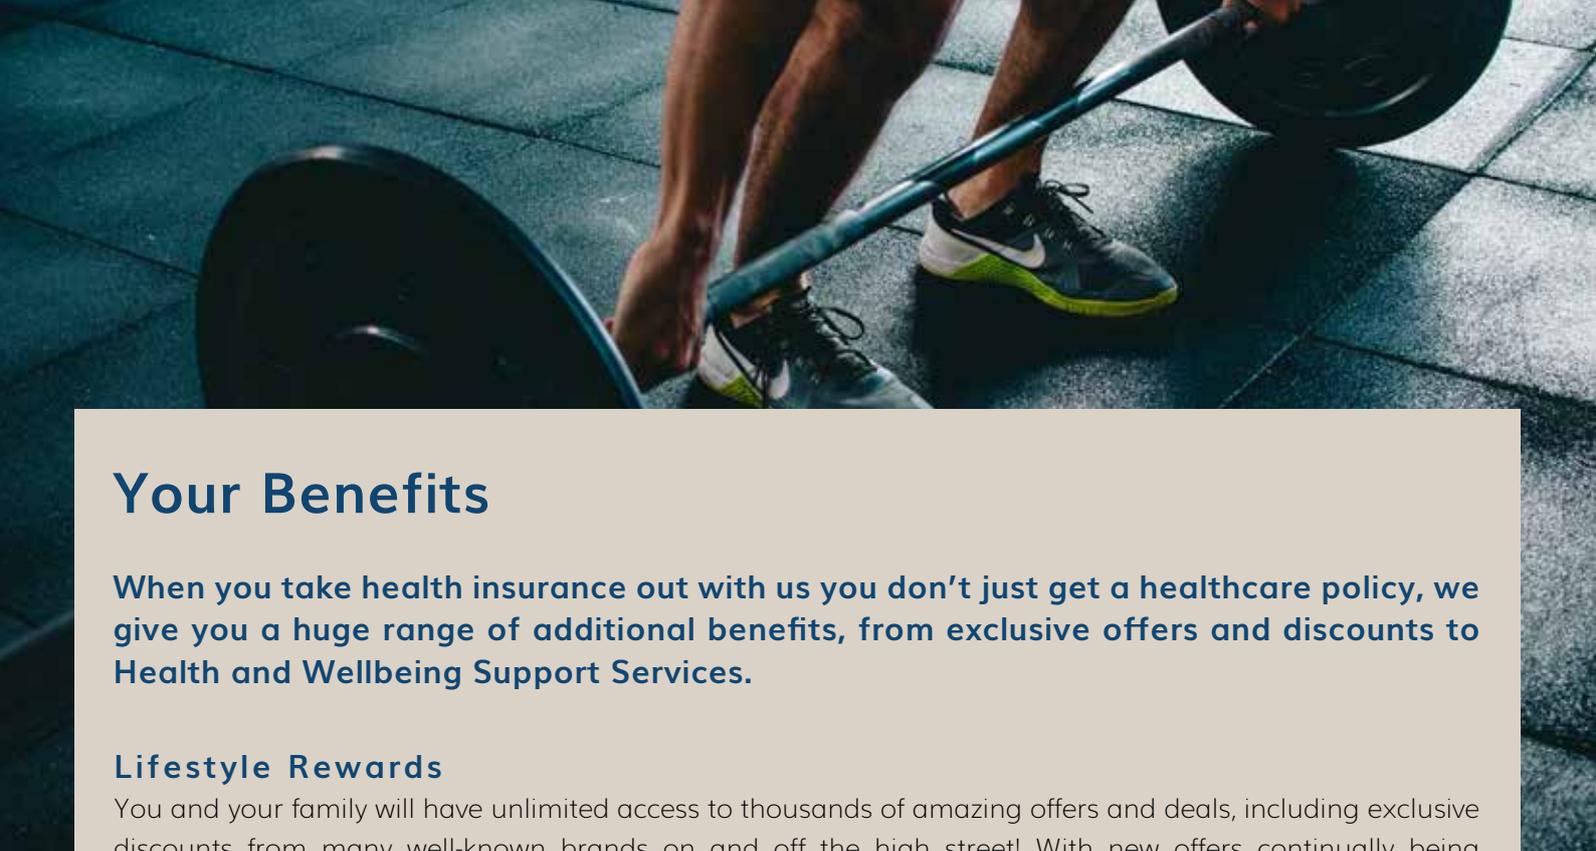

An excess is an amount agreed in advance that you or each person on your policy pays towards the cost of a claim.

You can add an excess of £150, £250, £500 or £1000, or alternatively opt for no excess.

Excesses apply per policy year so if your treatment for an eligible claim carries on into the next policy year, another excess will apply.

Remember - the higher the excess, the lower your premium.

The important thing is to choose a level of excess that you can comfortably afford.

Your Benefits

When you take health insurance out with us you don't just get a healthcare policy, we give you a huge range of additional benefits, from exclusive offers and discounts to Health and Wellbeing Support Services.

Underwriting Options

Our Private Health Insurance schemes are designed to cover new and unexpected medical conditions. We offer a choice of underwriting options as described below. Please take your time to read about the options as this is important information you will need to know.

Full Medical Underwriting

This means we ask medical declaration questions about past health. Any pre-existing conditions and related conditions may be excluded from cover, unless we agree to accept them. These exclusions will be shown on your Schedule of Cover.

Moratorium

This means we do not need a medical declaration to be completed. Instead we will not cover treatment of any pre-existing condition or related conditions if you have had symptoms, even if a medical opinion has not been sought, in the 60 month period prior to the member joining the scheme. However, we may agree to cover a pre-existing condition or related condition providing the condition or any related condition does not remain present, including in remission and only if there have been no symptoms, treatment, medication, diagnostic tests or advice for such conditions during a continuous 24 month period after joining the scheme.

Continued Moratorium

You can apply on this basis if you are transferring from an existing scheme, which is underwritten on a Moratorium basis. We apply our Moratorium conditions as above with effect from the commencement date of the scheme from which you are transferring.

Continued Personal Medical Exclusions

You can apply on this basis if you are transferring from an existing fully medically underwritten insurance scheme. We will apply the same personal medical exclusions to your cover with us that were applied to your previous scheme.

Multi-Trip Travel Insurance Upgrade

For an additional fee per member, Multi-Trip Travel Insurance can be added to upgrade your cover in conjunction with our Private Health Insurance.

We have three levels of cover available: Europe (including Republic of Ireland, Canary Islands, Iceland, Madeira and countries bordering the Mediterranean), Worldwide (excluding USA and Canada) or Worldwide (including USA and Canada).

Who provides the policy?

Where the benefits of your policy are insured, different insurers may underwrite them. For clarity we have detailed which insurers underwrite the benefits you may have, in the table below.

	Healthcare	Multi-Trip Travel	Emergency Medical Cover outside the UK or Channel Islands	Life Cover	Personal Accident & Temporary Disablement	Critical Illness	Sports Personal Accident
General & Medical Insurance Ltd	◆	◆	◆	◆	◆	◆	◆

Are there any age limits?

You may join a General & Medical scheme as an individual from the age of 16 up to your 75th birthday. Once covered there is no upper age limit. Children under the age of 16 must be added to an adults policy. Children are classed as a child up to their 21st birthday, or their 25th birthday if they remain in full time education. Proof of full time education must be provided.

Will my premium go up at renewal?

We review your premiums annually to reflect the overall cost of claims and medical inflation. Our schemes are priced using age bands, reflecting that people are more likely to claim as they get older. This means that you could see an age-related increase in your premium in addition to our general review. Your premium can be influenced by other factors such as the availability of new treatments, medical technologies and any claims made on your scheme.

How do I make a claim on my Private Health Insurance policy?

You should contact your Health & Care Support Specialist before you see your consultant so that we can confirm your cover. Your Health & Care Support Specialist will be able to guide you through the process of claiming and let you know what is and is not covered. The full claims procedure is detailed in your relevant policy documents.

How do I make a claim on my Emergency Medical Cover Outside The UK or Channel Islands Policy?

To make a claim for emergency medical treatment whilst outside the UK or Channel Islands please use the telephone numbers provided within your Schedule of Cover.

How do I make a claim on my Multi-Trip Travel Policy?

To make a claim for emergency medical treatment whilst outside the UK please use the telephone numbers provided within your Schedule of Cover.

How easy is it to switch from my previous insurer?

We make switching simple. When switching, if you wish to continue any existing underwriting terms established with your existing insurer, all you have to do is submit a copy of the current policy wording and underwriting terms from your existing insurer with your application. If you or anyone on the policy will be undergoing treatment at the time of switching just let us have details of the treatment plan so the treatment may continue without interruption.* (*Subject to the treatment plan being eligible under your chosen cover with us.)

What do I do if I have a complaint?

To avoid misunderstandings, you must read the information supplied when taking out your cover. If you are unsure about any aspect of cover, you should contact your personal Health & Care Support Specialist. We're here to help. We are committed to providing a high level of service to all our clients but occasionally things can go wrong. If this happens, we will do what we can to put things right.
